NOON: Check out deadline. Hope you had a great weekend.

See notes on second page....

HEALTH NOTE:

Covid is still with us and it's flu season. If you feel strange, test for covid. If positive, please stay home. Any fever means you might have something communicable, so think about staying home or at least wearing a mask. The older we get, the more careful we must be.

NOTE FOR AUCTION CONTRIBUTORS:

Please attach a label to each donation explaining what it is, what it's worth, and if it has a story you want to supply. If the story can be told in a minute, Gary can read it or you can tell it yourself.

FUN NOTE:

We will do requested couple and set dances at the parties.
