

I am sorry for this changed format for the newsletter, but it is rapidly becoming apparent that I'll get it out this way or not at all. I have had both time and typewriter difficulties these past few weeks. Still, things are coming up soon that you should be told, or reminded, about.

OTHER ITEMS OF INTEREST

1. Ginny Corwin has sent in a very interesting article about her trip to Russia. Ginny, Thank you! I'm sending this to Marilyn, I hope to be used soon.
2. I attended only a portion of the Scandanavian Workshop in Tampa. I loved what I saw, but cannot do justice to it. I wish someone who attended the whole thing would write it up.
3. The turn out for the July 15 all day request dancing was smaller than usual. Those of us who "made the scene" were glad we did as it was very enjoyable. The next session is scheduled for December 2. There won't be so many people away on vacation, etc., then, so we will look for a BIG turn out there. You miss a lot if you don't come -- and we miss you!

- Got a card from Zoe and Archie Juris. They have been attending a folk dance event in Woodridge, New York. Things sure must be dull in West Palm Beach, with Archie out of town!
- I promised several people that the Directory would be published again this month, as there are some changes; however, I can't get to it. The following are changes of note:

Daytona Beach. Remove Wednesday listing and add the following:

Thursday, 7:00-10:00 p.m. Seabreeze Recreation Center, 1101 N. Atlantic Ave. (A1A).

It would be a good idea to call Susan for information as I am not sure what starts when--or is already in session, etc. Her telephone is (904) 255-5767.

Fort Lauderdale. Phil and Bea Statnick no longer teach Tuesdays at the Jewish Community Center. It should read, Lauderdale Lakes, Wednesdays 2:00-4:00 p.m. Jewish Community Center, 2999 N.W. 33rd Avenue, with Mr. & Mrs. Nathan Wolfson listed as contacts. Nate, you didn't send your telephone number, but thank you for the up-date.

Ormond Beach. International. Wednesdays 7:30-11:00 p.m. Granada Recreation Center, Granada and U. S. 1. Contact Julius O. Horvath, 252-5738.

Also, Julius should have a listing under Daytona Beach, as follows:

Hungarian, Monday, 8:00-10:30 p.m., 1018 Berkshire Road, Daytona Beach. Please phone for directions, Julius O. Horvath, 252-5738.

- Julius is in Hungary now, studying Hungarian dance, and plans to attend the Labor Day workshop in Buffalo, N.Y. with Andor Czompo, Richard Turcotte. Julius sent me a flyer on this, so if anyone is interested, give me a call and I'll forward it on. (2713 Timberlake Dr., Orlando, 32806-(305)857-0926).
- This is a post card from Marilyn & Earl in Bulgaria. Read it for yourself!

Dear Mickey, MARILYN & EARL
 This is Koprivstizza where the Folklore Festival is held every 5 yrs. We spent a couple of hours here Sofia.
 Will have lots to report on this seminar. Usual Bulg. foul ups and not all what we had expected and yet some we didn't expect. There are 28 of us in seminar, 58 Tammies incl. the 17 freshmen. The Tammies have left now to foul Bulg. so its just the freshmen + us now. We have had 2 wks. of lectures and now starting the dancing. We are housed in the "Party School" - a secluded hotel-type place about 4 kms from Blagoevgrad. Have ordered a tambura which I will get tomorrow. We are now in GABROVO - a 3 day tour of folk museums and places of interest. Today its to UTRNOVO and back home * BAKHINOVO Party School in Blag.
