PRESIDENTIAL COLUMN

By: Pat Henderson

Fall Fling was exceptionally enjoyable this year. There was plenty of dancing and plenty of food and plenty of camaraderie. It was great to get away from recent events for a day or two and just have fun. Thanks to John Daly and the others in the Melbourne group for all that you did to make the day perfect. By the way, most of the music was played from MP3 files through the laptops of John and Bobby. This was a first for a fling—no tapes!

I announced the instructors for camp at Fall Fling. They will be Sandy Starkman teaching international dances and Theodor and Lia Vasilescu teaching Romanian. Both will teach some couple dances. In the survey, you wanted less couple dances, so you are going to have only 1/4 of the time or less with couple dances.

I encourage everyone who stayed at a motel in the past to consider staying at camp this year. All of the cabins have been completely refurbished from the bare walls. They look like the Holiday Inn! They have new plumbing with privacy in the bathroom. They also have heat and air controlled by a thermostat. There are new sidewalks at camp. The registration form is included in this newsletter. Please send it in as soon as possible. When the officers met at the Fall Fling, we decided to give a discount to current members and to make membership \$15. There is no difference in price between snail mail and email. We ask on the registration form if you want to receive your newsletter by email. I really encourage everyone who has email to say "yes" since you get the newsletter about a week before snail mail.

The email goes out at the time the newsletter

goes to be printed. It saves time and postage for people to receive email. Also, on the registration form, you will see discounts for students. We are trying to encourage groups that have student interest (Gainesville, Orlando etc.) to promote camp. We also want to encourage the evening parties for those that may want to get a taste of what the camp is all about. You will also notice that there will be two videos this year. Theodor and Lia bring a professionally

produced video that contains all the dances that they teach. We will make the usual video for Sandy's dances along with scenes from the whole camp. The advantage is that everyone who purchases the videos will go home with the Romanian tape. Therefore, if you want the videos, please prepay so I can give an accurate number to Theodor since he has to bring them from Romania.

Since I anticipate that this camp could be a "sell out", please register as soon as possible. The first registration gets a free t-shirt! The first 80 people get cabins! There will more details about camp in the next two newsletters. Remember that it is the weekend after President's Weekend--February 22-25.

OIFDC NEWS

By Pat Henderson

OIFDC had a Halloween Party on Halloween. We had a great time dancing especially to the "Adam's Family" music. On November 1, a group of us performed for most of the kindergarteners at a local school. They also did the "Adam's Family" after we finished our performance. The students made a rainbow banner with their names on it and sent it to us in appreciation. On November 3, Bobby and I joined five other members of the Cultural Dance Society of VCC to perform at the banquet for a statewide convention of the Phi Theta Kappa, the national honor society for

community college students. There were about 400 people in the audience. We received a standing ovation at the end. I later heard from someone there that we were the talk of the evening! Some students had only been dancing for six weeks so this was a big event. On November 18, Janel Wheeler exchanged wedding vows with David Ricque. We wish them both great happiness and many years of dancing together. They met at a swing dance session!

TAMPA TRAVEL

By Terry Abrahams

Thought I'd think of another name this month. And traveling seems to be something Tampa does so well. Ursula is back from China, Japan and ??? - (how quickly I forget) - and had a great time. It's good to get her back into the folds of both International and Israeli groups. We also have a new gal Susan who is a nice addition to our very small group - a musician who teaches voice, plays a mean guitar and has now decided to enter the "foot" world too. She also dances with Judith's Scan group. Judith was in California at a Scan weekend over T-giving.

The local contra group had a full t-giving weekend - we had a Friday night dance in Pinellas Park, then Saturday it was a covered dish, an hour of The Leather Soles of which I am a proud member - we played dance music which included waltzes, hambos, polkas, schottishes and one tango - our group is really improving and we love to play. That hour was followed by another contra. The entire weekend was appropriately called Dance It Off. Cute huh?

The next traveler is me again. I will be going to Palm Springs, CA to try and qualify for a spot on the U.S. team for the Veterans (old people) World Championships to be held in Tampa this year. I also will have to go to Reno in March, S.C. in June. It's expensive to fence on an international level, but since I wouldn't have to travel for the actual championship event, I decided to give it a shot. I don't think it will be

as easy as when I went to Switzerland, as other women will also realize the bucks saved by taking place in the states and more will try to qualify. Well, I'll give it a shot!

and now once again - I have mostly talked about me. I did ask Judith why she didn't ever send any info on her very active life - she just shrugged! So you got me again!

By the way - we Tampan's (not Tampons) had a fabulous time at the Fall Fling! I'm telling you - dancing with a big bunch is such a high! Dancing, eating, seeing friends, playing music - it doesn't get any better than that! Thanks again to the hosts, and it was great seeing all of you there. Belated thanksgiving greetings - start gearing up for the next round of holidays! Bye! Terry Abrahams (this is really the way it is spelled - not how Jan spells it - even if she likes it that way!)

CASSADAGA

From Myriam LeMay

THE INVITATION

Come help us celebrate the Holidays of Cassadaga's 2001 Dance Odyssey!

Please join us at 6:30 PM for a Pot-Luck dinner. Try out that holiday recipe you've been wanting to try out before serving it to that difficult-to-impress family member!

Dancing will begin at 8PM. Alice Milmoie will be our caller, and Upsala will be our band. A combination not to be missed!

THE GENTLE REMINDER

We have been very fortunate to have landlords that are supportive of our dance and provide us with a wonderful wooden dance floor. In order to preserve the floor we need to wear soft-soled shoes and leave the boots at home or under the benches. This policy also happens to be safer for our fellow dancers' toes, insteps, etc.!

THE PLUG FOR ANOTHER EVENT

Mark your calendars for the Tamburitzans of Duquesne University. They will be appearing on Saturday, January 5 at 7:00 PM at the George C. Miller Middle School in Crescent City. To quote from their web site: www.tamburitzans.duq.edu

America's longest-running multicultural song and dance company, the **Duquesne**

University TAMBURITZANS is a unique ensemble of talented young folk artists dedicated to the performance and preservation of the music, songs, and dances of Eastern Europe and neighboring folk cultures. **Presenters!** *If you liked "Riverdance," you'll love***The TAMBURITZANS!**

MELBOURNE

By John Daly

Another great Fall Fling becomes history, and it's not immodest of me to say it because so many wonderful people make it happen. Thirty eight dancers signed in. And as usual we got in lots of dancing, including the traditional Arnold's Circle and Mairie's Wedding.

It's been a while since we did a Couples Fling on Sunday, but it went well. For various reasons I hadn't really been able to coordinate a program as I did last time. We just played it by ear starting with a light breakfast at 9:00. Terry, Val and I played some live music while the dancers finished breakfast. Then we played Heidenroslein for the dance, before putting our instruments away to join the fun.

I'd like to thank all the people who helped make the Fall Fling happen, but I would have to list all the dancers. If you were there, thanks for adding to the fun. If you couldn't come, we missed you and hope you will join us some other time. And we all owe a special thanks to the people who helped out with the meals.

Without meaning to leave anyone out, I especially thank Willa, Bernice, and Barbara who have consistently made all our dance events so much fun. You are very special people.

FERREANCE:*

The Greek Kefi Hellenic Dancers had two performances in October. On the 26th we danced at the Aberdeen, an active adult community in Ormond Beach. After the performance, we invited members of the audience to join us in a fast Hasapo Serviko and a lively Ziftetelli. The next day we participated in the International Festival at Galaxy Middle School in Deltona. It was a beautiful day for dancing as we performed outdoors on the patio to an appreciative audience of middle-schoolers and their parents.

The group, led by Steve and Barbara Photiades, practices on Wednesday evenings at the Castaways Resort in Daytona Beach Shores. We do dances from Greece and Latin America, and lately I have been teaching the dances of Armenia and other countries. Contact Steve at (386) 788-2749.

Each year a few deserving dancers attend Florida Camp courtesy of the Olga Princi Scholarship. Olga Princi was a talented young folk dancer from Daytona Beach whose life was ended by a tragic automobile accident. In her memory, contributions are accepted and an auction is held to make it possible for some deserving dancers to come to camp. Over the years, a variety of people of all ages have benefited from the scholarship. Some have been new to folk

dancing, while others have been long time dancers. Some have been potential leaders of a new group. Nominations usually come from leaders of Florida dance groups. You may also make a self nomination. There is no application form. If you are interested or want to nominate someone, please send a note with a brief description of the applicant's interest in dancing. Describe how the scholarship would encourage that person to contribute either individually or as a leader to international dance in Florida.

Tampa's times have changed. We are now meeting from 7:30 to 9:30, and if we don't get larger, we'll have to change again. But for now -

the center doesn't want to stay open until 10 for 4-6 people - and we are SMALL!

The contra dancers had a double Thanksgiving dance - Fri and Sat and my new playing group - the Leather Soles were the lead-ins for Merriweather. Gettin' up there!

First of all, I want to thank all of you who sent messages to me and prayers to Heaven regarding my son, Rob, in New Jersey who recently was hospitalized with a blood clot in his lung. He had a bout with pneumonia after leaving the hospital, and is slowly recovering from the original injury to his leg from a roofing nail gun, but will be fine.

The only other thing I have to add is that I am looking for directions for Romanian Medley, Du-Tam Serbian Medley, and Vlashko II. If any of you might have these directions and would be willing to share them, I'd appreciate it. Send them to the return address for this newsletter. Thanks!

He has recorded with Mitch Reed and Randy Vidrine, DL Menard and Hadley Castille among others. His wife Lisa plays guitar and sings as well and has recorded with Ann Savoy and the Magnolia Sisters. Jason Frey is on vocals & fiddle and has a tremendous wealth of experience including playing and recording with Dewey Balfa and his latest CD won a 2001 CFMA (Cajun French Music Association) award. Mike Rougeau on bastringue (triangle), drums and vocals makes his living farming outside Eunice, La. and supports the Evangeline Aces with a drumming style of the '50's.

They claim to be a back porch band but Cory just returned from 3 weeks in France on tour. They are a very fun energetic band and you don't want to miss this one!!"

THEODOR AND LIA VASILESCU

Theodor and Lia Vasilescu have sparked renewed excitement for Romanian dance with audiences worldwide. His extensive background ranges from pioneering research in remote regions of his native land to Chief Choreographer of *Rapsodia Romana* (the professional Romanian State Folklore Ensemble). Theodor's workshops, in conjunction with his charming wife Lia, have endeared him to many dance communities, with a style that is bubbly and swiftly paced, yet attentive to the details which bestow each dance its unique character. Theodor Vasilescu, a choreographer, teacher, researcher, performer, lecturer and author, is considered to be the fountainhead of Romanian folklore and dance. Although he has a degree in chemical engineering, he left the profession in 1964 to follow dance as a full-time professional career. From 1964 to date, beside being the principal teacher of Romanian folklore and character dance at annual professional courses for instructors in Bucharest, he has taught at workshops and master lessons throughout Europe and in Japan, the United States and Canada. His choreographies, dance suites and folklore tableaux are still in current performing repertoires. He has also written and edited books on dances and on methods of teaching folklore dance. Theodor is the head of the Choreographic Section at the National Center for the Preservation and Promotion of Folklore. He is the leader of the Folklore Dance Academy and the President of the years in the *Cununa Carpatilor*"(Carpathian Wreath) Folk Dance Ensemble National Association of Folklore Choreographers of Romania. His dance notation system known under the name of Romanotation is widely used by choreographers not only in Romania but also in other countries. Theodor's wife, Lia graduated from the Philology Faculty of the University of Bucharest and she danced for 25 years in the *Cununa Carpatilor*"(Carpathian Wreath) Folk Dance Ensemble.
